

KH CHARTS EBOOKS LIBRARY

ALL EBOOKS AVAILABLE ON ONE DVD

INCLUDING: IMO, ICS, OCIMF, INTERTANKO, USCG AND MORE...

Digital data forms a growing part of a vessel library. Publications are traditionally expensive to maintain, with updates required together with new editions. Now publishers are starting to make their products available in eBook format, there is an opportunity to reduce cost of ownership and the corresponding workload.

KH Charts has gone a step further. Placing all eBooks from many publishers on a single DVD has removed the necessity to carry numerous media. The DVD contains a simple user interface, through which unlocked eBooks can be viewed. Subscribers will receive free DVDs at regular intervals containing all new editions. The DVDs may be placed with other despatches, meaning zero additional freight.

KEY BENEFITS OF EBOOKS OVER TRADITIONAL PAPER

- Keyword search facility.
- Add bookmarks.
- Insert user notes.
- Re-size fonts for comfortable reading.
- Print important sections.
- Single or multiple user options.
- Effectively zero freight cost.

INSTALLATION AND ACTIVATION IN 3 SIMPLE STEPS

1. Install the eReader and eBooks on your computer from one DVD.
2. Select and order your eBook from KH Charts. KH Charts will provide a licence code by return.
3. Enter the licence code to register your eBook and to complete the unlocking process.

ACCEPTED PUBLICATIONS IN ELECTRONIC FORMAT

Extract from MSC-MEPC2/Circ.2 - IMO REQUIREMENTS ON THE CARRIAGE OF PUBLICATIONS ON-BOARD SHIPS:

"Publications may be carried in the format of electronic media such as CD-ROM in lieu of hard copies. Acceptable publications in electronic form should be issued by IMO or an authorised body."
